Finalize Submissions for December Newsletter

Our hope is to cover each item sequentially and ensuring that each item is voted on accordingly. This will limit the meeting to the time scheduled and ensure that the meeting is adjourned at 8:30 at the latest.

Once the essential items are covered and voted on, we can leave time at the end for additional items and further discussion.

The written reports that each Executive Member provides at the meeting should be forwarded prior to the meeting to Marike at marike.emery@me.com so that she can have a copy, and then she just has to fill in any additional items that arise throughout the meeting.

Thanks so much for all your hard work!
