PRINCIPAL'S MESSAGE:

It is hard to believe that we are entering the last month of school. This school year started slow but has gotten busy in a good way. June will be a busy month filled with extra-curricular activities, pizza lunches, field trips and year end celebrations.

A huge thank you to Natalie and Ms. May for all they did to organize the trips on June 2.

School Organization:

Our school organization model was created within the Ministry and TDSB parameters and number of teachers assigned to the school.

There are a few staff changes for the 2022-2023 school year. We will be saying goodbye to Ms. Rakel, Markus Molder, Melanie Chakravorty, and Matthew DeJong. We also welcome returning and new staff that will be joining us in September: Chris van Hoeijen, Megan Arraial and Farah Khilji-Reading.
